**11:00 am – #SC3 Presents: Jeremy Whitley, Comic Artist/Writer** – Ever wanted to write comics? Or what about creating your own comic that is SO GOOD that it's nominated for an Eisner? Or working on a fan favorite series such as *My Little Pony*? Join Jeremy as he discusses past projects, what gives him inspiration and what's his next big project...hint, it's Marvel's *Future Foundation*!

**12:00 pm – #SC3 Presents: Bitter Root, the Eisner-nominated series** – Local comic artist Sanford Greene and local writer Chuck Brown are here to discuss their acclaimed hit, *Bitter Root*, a comic series that follows the Sangerye family as they battle to save New York from supernatural forces in a 1920's Harlem. And for all things *Bitter Root*, feel free to pay them a visit in Artist Alley at tables A-47 and A-48.

**1:00 pm – #SC3 Presents: WLTX/CBS Premiere of *Evil*** – Starring Soda City's own, Mike Colter, *Evil* is a psychological mystery that examines the origins of evil along the dividing line between science and religion. The series focuses on a skeptical female psychologist who joins a priest-in-training and a carpenter as they investigate the Church's backlog of unexplained mysteries, including supposed miracles, demonic possessions and hauntings. Their job is to assess if there's a logical explanation or if something truly supernatural is at work.

**2:00 pm – #SC3 Presents: Shawn Durlington's "Let's draw monsters!"** – Artist and all-around good guy Shawn Durlington has been drawing kid-friendly monsters for over 25 years. When we say monsters...think *Monsters, Inc.* style; cute, lovable and absolutely adorable. Shawn has agreed to pass along some of his wisdom and knowledge to any child who has a desire to draw and create original characters, like Shawn's very own Melvin. This panel will give children (and adults too) the opportunity to create their own monsters. Not only that, necessary supplies to participate will be available courtesy of Soda City Comic Con. So come out and let's get creative 😊

**3:00 pm – #SC3 Presents: Ron Joseph, Corey "Rock Bottom" Davis and Gregbo Watson in "My Life as an Independent..."** – Join three independent artists and writers as they offer up insight on what it takes to "make it in the business." With over 30+ years of experience between them, they are sure to have some great knowledge and are ready to help the next generation of aspiring creators.
